

CLASS DESCRIPTIONS

7TH-12TH GRADE
JULY 11TH-22ND

Middle School Only

Hats! Hats! Hats! Bucket Hats!

9:00-10:15am

Grade Levels: 7TH-8TH Grade

Level: Beginner **Pre-Requisite:** None

In this class, you will learn to design your own headwear pieces! We will use felt, paint, and sequins to create and make our own designs for headbands and bucket hats. If you like painting or wearing hats, this is the class for you!

Hip-Hop

10:45am-12:00pm

Grade Levels: 7TH-8TH Grade

Level: Beginner **Pre-Requisite:** None

Popping, locking, tutting, footwork, and more. Classic hip-hop moves and some of your own. You will also explore the history of hip-hop through story and choreography. Join this exploration of rhythm and bounce and find the confidence to freestyle!

Let's Make Zines!

9:00-10:15am

Grade Levels: 7TH-8TH Grade

Level: Beginner **Pre-Requisite:** None

Students will create multiple zines with prompts and have the option to make their own unique zine for their final project.

Making Movie Trailers

10:30-11:45am

Grade Levels: 7TH-8TH Grade

Level: Beginner **Pre-Requisite:** None

Have you ever had wonderful movie-making ideas but don't have the time to make a full feature? In this class, you will work in teams to build your acting skills while also focusing on technical elements utilizing cameras and editing programs. You will walk away with a fully-edited video trailer for your next great movie idea!

Photo 101

9:00-10:15am

Grade Levels: 7TH-8TH Grade

Level: Beginner **Pre-Requisite:** None

Take a deep dive into photography! In this class, you will learn to use the different settings on your digital camera and also explore shutter speed, aperture, and perfect your exposure. Incorporate the elements of composition to create powerful photographs to add to your art portfolio.

3D Experimentation

9:00-10:15am

Grade Levels: 7TH-8TH Grade

Level: Beginner **Pre-Requisite:** None

In this course, you will focus on developing sculptural ideas by exploring various mediums, including clay. You will be introduced to different skills required to make 3D sculptural objects and the use of experimental materials to develop your projects.

Middle & High School

Content Creators: Beginners

12:45-2:00pm

Grade Levels: 7TH-12TH Grade

Level: Beginner **Pre-Requisite:** None

If you ever wanted to build your own short-form video content for YouTube, this class is for you! And you don't have to do it alone. We will work in teams to build a collaborative YouTube channel (with multiple original videos) to be shared at the end of the session. We will explore creator content including tutorials, entertainment, gaming, vlogs, and more! We will develop our on-screen presence by focusing on speaking on camera. We will practice filming with phones along with professional equipment. Finally, we will focus on developing our film editing skills as we export and upload our videos. No prior experience needed.

Explorations in Traditional Photography: Cyanotype

12:45-2:00pm

Grade Levels: 7TH-12TH Grade

Level: Beginner **Pre-Requisite:** None

Do you like the color blue? Do you like photography? Join us to learn about Cyanotype! Cyanotype is a traditional form of photography that uses low-tech materials to emulate the process of dark-room photography.

Summer Strummin': Singing & Songwriting with Ukulele

2:30-3:45pm

Grade Levels: 7TH-12TH Grade

Level: Beginner **Pre-Requisite:** None

Learn how to play the ukulele while singing to prepare for those summer music vibes! This class will cover the basic techniques for playing the ukulele and singing. By the end of the session, you will be able to play some fun cover songs and write your own original song!

CLASS DESCRIPTIONS

7TH-12TH GRADE
JULY 11TH-22ND

Middle & High School (continued)

Hip-Hop

12:45-2:00pm

Grade Levels: 7TH-12TH Grade

Level: Beginner **Pre-Requisite:** None

Popping, locking, tutting, footwork, and more. Classic hip-hop moves and some of your own. You will also explore the history of hip-hop through story and choreography. Join this exploration of rhythm and bounce and find the confidence to freestyle!

3D Experimentation

10:45am-12:00pm

Grade Levels: 7TH-12TH Grade

Level: Beginner **Pre-Requisite:** None

In this course, you will focus on the development of sculptural ideas through exploration of various mediums including clay. You will be introduced to various skills required to make 3D sculptural objects as well as the use of experimental materials to develop your projects.

High School Only

Graphic Design:

Logos & Typography

12:45-2:15pm

Grade Levels: 9TH-12TH Grade

Level: All Levels **Pre-Requisite:** None

Develop personal expression through logo design and typography studies! In this graphic design workshop, you will explore visual communication design, develop an understanding of the relationship between contemporary and classic graphic production techniques, and examine logos of significant LA sports teams, movie studios, and more! You will experiment with handmade and digital techniques.

Let's Illustrate a Book!

10:45am-12:00pm

Grade Levels: 9TH-12TH Grade

Level: Beginner **Pre-Requisite:** None

Do you find yourself gazing through books and admiring the illustrations on the pages? It may be time to sharpen your drawing and storytelling skills by creating your own picture book! In this class, you will learn step-by-step how to create your own picture book through storytelling and design. You will experience lessons on character design, storyboarding, layout design, and illustration fundamentals. These projects will not only give you a glimpse into the world of book illustrators, but you will also explore your artistic voice and walk away with your very own book in your hands that you created!

Photo Embroidery with Gladis & Karina

2:30-3:45pm

Grade Levels: 9TH-12TH Grade

Level: Intermediate recommended, beginner accepted.

Pre-Requisite: Basic knowledge of photography.

In this experimental class, we will join the forces of photography and embroidery to create photo embroidery. If you are interested in taking photos and using needlework to embellish and design, this class is for you! We will use found photos, cyanotype, and digital photography to create our photo embroidery. Join us for an exciting combination of two traditional materials!

3D Experimentation

2:30-3:45pm

Grade Levels: 9TH-12TH Grade

Level: Beginner **Pre-Requisite:** None

In this course, you will focus on the development of sculptural ideas through exploration of various mediums including clay. You will be introduced to various skills required to make 3D sculptural objects as well as the use of experimental materials to develop your projects.
