

Who we are

Inner-City Arts, widely regarded as one of the nation’s most effective arts education providers, is an oasis of learning, achievement, and creativity in the heart of Skid Row. We consider it a vital part of our mission to be a community partner in the work of creating a safer, healthier Los Angeles.

Volunteer opportunities

Here are the ways you can be involved, depending on your availability, interests, and experience.

During the summer, volunteers are asked to commit to daily support of at least two hours during one or both of our two-week camp sessions.
